

Healing The Traumas Of Colonization: Webinar

The NNCTR is pleased to invite NNCTR membership to an informative webinar on decolonization- presented by Norm Leech.

Norm speaks widely on inter-generational trauma due to colonization. He grew up in East Vancouver, with ancestry in the T'it'q'et community of the St'at'imc nation where he has served as Chief and also Administrator. He draws on his experiences as a recovering alcoholic/addict, inter-generational survivor, and spiritual explorer to inform his current work which includes several boards and committees.
