

# OCASI Mental Health Promotion Project

We are looking to recruit qualified immigrant and refugee serving organizations who would like to implement the OCASI Mental Health Promotion Integrated Service Delivery Model

- OCASI will support implementation by providing ongoing training and resources on:
  - Conducting mental health needs assessments
  - Establishing staff wellness activities
  - Implementing peer support groups
  - Developing trauma- and violence-informed policies
  - Building cross-sectoral partnerships and service coordination pathways
  - Enhancing staff capacity to respond to mental health needs
- Your organization will be responsible for:
  - Dedicating staff and management time
  - Participating in ongoing capacity building activities
  - Implementing a needs assessment and mental health initiatives
  - Participating in evaluation and knowledge exchange activities
- Service Delivery Model Implementation will run from April 2026 - February 2027

If you have questions, please email [mhp@ocasi.org](mailto:mhp@ocasi.org)
